

# THE LEEDS & LIVERPOOL CANAL SOCIETY

The Society was founded in 1998 to help promote the canal and to encourage greater understanding and appreciation of the canal's history and environment. The Society strives to ensure that the traditions and heritage of the canal are recorded and continued.

To achieve these aims, the Society holds lectures, arranges guided walks along the canal's towpaths, and provides information about the canal's history. A twice-yearly newsletter gives details of events and happenings on the canal as well as publishing articles on aspects of the canal and its history.

For more details, please write to:

## Friends of Kennet

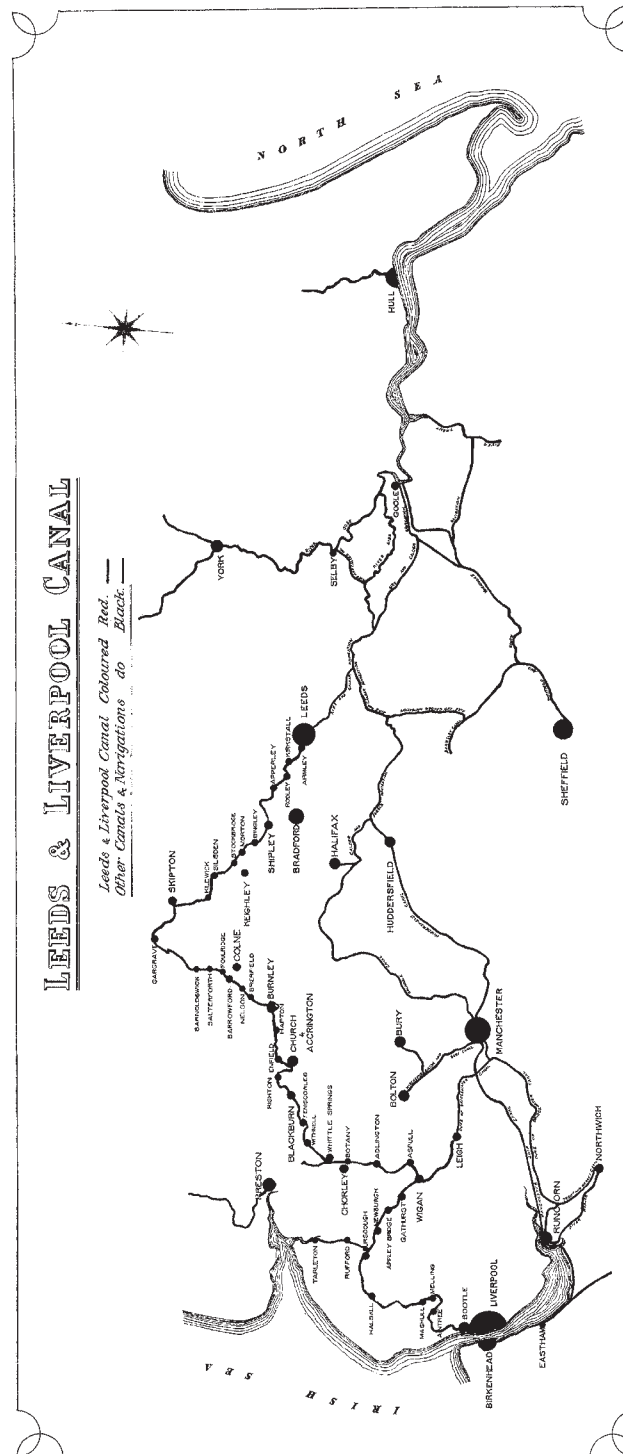

The Society also looks after *Kennet*, one of the last unconverted boats which worked on the canal. *Kennet* has displays about the canal and its heritage in its hold, and the Society arranges public access as required. *Friends of Kennet* help maintain and move the boat, and training sessions in boat handling and other facets of canal life are planned.

We would be delighted to hear from people who would like to sponsor work on *Kennet* or to give a donation to the *Friends of Kennet*.
