

The Leeds & Liverpool Canal Society

Want to gain a greater understanding and appreciation of the canal's history and environment?

Further the preservation, conservation and development of the Leeds & Liverpool Canal?

Promote public interest for the fullest use of the Canal corridor and its environment?

- The Society was founded in 1998 to encourage greater understanding and appreciation of the canal's history and environment.
- The Society gives lectures, arranges guided walks and provides information about the canal's history as well as running projects to improve the Canal.
- A twice yearly newsletter "**Clogs & Gansey**" gives details of events and happenings on the canal as well as publishing articles on aspects of the canal and its history.
- The Society owns and operates **Kennet**, one of the last unconverted Short boats which worked on the canal. **Kennet** has displays about the canal and its heritage, and the Society takes it to events along the Canal.
- **Friends of Kennet** was formed by the Society in 2010 to help maintain and move **Kennet** along the Canal.
- We would be delighted to hear from anyone who would like to sponsor, work on, or to give a donation to **Kennet**

Please contact: Email: friendsofkennet@btinternet.com
