Join us in this Celebration

In order to fully create the atmosphere of the day we are looking for communities and organisations all along the Canal (not just those mentioned above) to become involved by celebrating the event in keeping with the 1st passage and raising the profile of the canal corridor by simulating the original atmosphere.

If you are interested in joining us in this event whether land or water based and want to know more about the passage and timings - *Please email:- friendsofkennet@gmail.com*
