PLEASE NOTE - This programme is correct as at the date in the bottom right corner of this document and we will endeavour to keep you updated.

Kennet's operation is totally reliant on Volunteers to move her, open for the Public and host visits from Schools etc., and is an important part of achieving the Society's aims to promote the Leeds & Liverpool Canal and its Heritage. **Become one of our volunteers, who move, open & staff Kennet to ensure Kennet is able to continue its journey along the Canal, carrying its cargo - Heritage**

Please do not hesitate to contact us for further information
